

PIONEER CITIZENS PASSES AWAY

Mrs. S. A. Cordier Called to
Her Final Home at the
Advanced Age

OF EIGHTY- EIGHT YEARS

Mrs. Serena A. Cordier passed peacefully away at her residence on Railroad street, Saturday morning, July 1st at 8:40 o'clock, death being due to the infirmities incident to old age. Mrs. Cordier had been in feeble health for a number of years and on Thursday morning, a little more than a week before her death, complained of being very tired, although she was suffering no pain. When it became apparent that she was growing very weak a physician was called and her children from the different states were summoned to her bedside, and were present to be with her at the close of life's chapter, which came without a struggle.

Serena A. Brasher, was born in Christian County, Nov. 22, 1828, where she spent her childhood and early married life, having married Mr. Joseph Cordier, a native of Paris, France, July 1, 1847. Sixty-nine years from the day of her wedding, she was called to again join her husband, to whose memory she had been faithful for many years.

Mr. and Mrs. Cordier made their home in Old Petersburg, Christian county, where he was engaged in the mercantile business for more than a half a century. Cordier & Son were also pioneer merchants in Earlington and were the second firm to engage in business at this point, occupying the buildings on the corner of Main and Railroad streets. The present site of the People's Bank, Nixon's Restaurant and the Bee Office. After the death of her husband, Mrs. Cordier lived here with her son, Frank, who has since passed away, but the mother has resided here continuously for about thirty years.

Mrs. Cordier was the mother of eight children, four of whom survive her. They are: Mrs. Josephine Williams, of White Plains; Mrs. Emma Beall, of Seattle, Wash., but who, since her mother's feeble health has been with her to care for her and minister to her wants; Mrs. Lillian Beall, of Cedar Rapids, Iowa; and Dr. A. H. Cordier, of Kansas City, Mo. Dr. Cordier has made for himself quite a reputation as a surgeon and practitioner in the city of his choice, and his visits back home are always a source of pleasure to his boyhood friends and admirers.

Frank, Eugene and Richard Cordier and Mrs. Lenna Holt were called to their reward before their much beloved mother. Seven ten grandchildren and twenty great grandchildren are mourning today over the loss of one they loved. Mrs. Nellie Umstead and Miss Hattie Cordier, of this city, are two grandchildren of the deceased.

About thirty-five years ago Mrs. Cordier joined the Universalist church and was baptized with other friends at Old Petersburg, but in the absence of a minister of the faith, Rev. J. B. Hawkins, of the Christian church, conducted a brief, but impressive funeral service at the home on Sunday morning at ten o'clock, which was followed by interment at Oakwood cemetery. The music was in charge of Mr. Jas. R. Haas, an old family friend.

The active pallbearers were: J. B. Head, D. M. Evans, E. G. McLeod, Ernest L. Stokes, D. W. Umstead and F. B. Arnold.

Honorary pallbearers: George C. Atkinson, J. R. Evans, Jas. Priest, F. P. Giannini, Isaac Davis and Ex-Gov. George Hodges, of Missouri.

LARGE CROWDS

Attend Sunday School Convention Held in Nortonville Wednesday

More than 500 people from all sections of the country attended the county convention of Christian Sunday School at Nortonville Wednesday. A splendid program was carried out and many interesting talks were made by various pastors and Sunday School workers of the county. About thirty or forty people from this city were in attendance.

PICNIC WAS A GREAT SUCCESS

Big Crowd and Plenty of Fun
Something Going on all
the Time

FIREWORKS MADE GOOD

The K. P. Picnic that was pulled off Tuesday at Lakeside Park was a success in every way and the crowd was considerably larger than expected, there were about 2000 people out in the afternoon. The various stands were busy all day, The barbecue was splendid and greatly enjoyed.

Blakemores Orchestra and the K. P. Band made delightful music, dancing was one of the features of the day. The address of Mr. Meacham ex Mayor of Hopkinsville was timely and appropriate and greatly enjoyed. There were quite a number of Nortonville, Mortons Gap and St. Charles people present and a large number from the country in addition to the entire population of Earlington.

The fireworks at nine o'clock were spectacular and thrilling and this was one of the big features of the day. In addition to the large crowd at the park the dam was lined with people to witness the fireworks display. John Long and B.E. Nixon very successfully managed this part of the program. The receipts for the day were satisfactory and the lodge made some money.

CALOMEL DYNAMITES A SLUGGISH LIVER

Crashes into Sour Bile, making you sick and you lose a day's work

Calomel salivates! It's mercury Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea.

If you feel bilious, headachy, constipated and all knocked out just go to your druggist and get a 50c., bottle of Dodson's Liver Tone, which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up quicker and better than nasty calomel and without making you sick, you just go and get your money.

If you take calomel today you'll be sick and nauseated tomorrow; besides, it may salivate you, while if you take Dodson's Liver Tone you will wake up feeling great, full of ambition, and ready for work or play. It's harmless, pleasant and safe to give to children; they like it.

A Mother's Inhumanity

Cambridge, O., July 4.—Mrs. Anna Mue pleaded guilty in Squire Baxter's court of punishing her eight year old son, Joseph, by stripping him pouring syrup over his body and then tying him to the floor and leaving him exposed to flies and ants. She also commanded her fifteen-year-old daughter to stand by and strike the lad with a large strap every time he moaned or flinched. The lad had refused to hoe the potatoes. She was fined.

Insurance is a great protection to the widow and children, but the accumulation of a healthy bank account supplies the fun between.

BEN HOLLO- WELL INSTANT- LY KILLED

Body Found Below No. Nine
Tippie Early Wednesday
Morning

PROBABLY KILLED BY A TRAIN

Ben Hollowell about fifty years old was found with his skull crushed and otherwise mutilated in the L&N yards at this place early Wednesday morning. It is supposed he was struck by south-bound passenger train No. 56 as he was seen by parties here sometime after midnight, Hollowell was cooking at Woodruff's saw mill near Hecla and had been spending the day at the K. of P. Picnic. He had been drinking some during the day and was probably making his way to the residence of Simon Fagan where he lived, when killed. Hollowell had been married several years ago and had one child but had not lived with them for some time. He was originally from Caldwell county and is supposed to have relatives there.

PICNIC NOTES

J. H. Fish and Walter Martin sold enough lemonade and other soft drinks Tuesday to float the Titanic.

Charlie Barnett, 'Rice Bowles and Frank DeVolder know how to cut barbecue to a goat's eyebrow.

The funny part of it is; When B. E. Nixon and John Long would light these peculiar looking fire works they would run a hundred yards through wet grass waste high and hide in a ditch until they went off.

The instructions on the bomb cannon crackers and Fire Chasers said "light and get away," and believe me they got away.

Charlie Webb was the most ubiquitous man at the picnic. Bro. Hawkins had a good time at the picnic and his infectious ha-ha could be heard from the shores of the lake to Fan hollow. "Dr." Vannoy and Clarence Higgins were Johnnie at the rat hole all day.

Yesterday was Judge Cowell's busy day.

Earl O'Bannon could be heard all over the grounds begging people to hit Old Dinah in the mouth.

Paul Price and Will Whitford have evidently run cane racks at some previous time.
